

Appointment of Chief Medical Officer (CMO) Announced

Dallas, Texas – January 2019 –

AIS HealthCare™ is pleased to welcome Anish S. Patel, MD, MBA as Chief Medical Officer (CMO) where he will continue to advance our clinical and quality agenda to improve patient outcomes and therapy development.

As Chief Medical Officer, Dr. Patel will oversee and take an active role in the overall Quality of Pharmacy operations as well as enhancing the continuum of patient care through our Advanced Care Coordination Solutions (ACCS) and Advanced Nursing Solutions (ANS) offerings. In addition, Dr. Patel will help coordinate and expand our research and studies program, data analytics, therapy education and serve as a liaison between our Hospital Accounts, Neuromodulation and Pain Societies and Government Relations. In addition, he will lead the AIS Medical Advisory Board.

Dr. Patel is double-board certified in anesthesiology and pain medicine and currently serves as Vice-President and Managing Partner at National Spine and Pain Centers. He attended MGR Medical University, an affiliate of Harvard Medical International in India. Following medical school, he returned to Detroit where he completed a residency in Anesthesiology serving as chief resident in his final year before pursuing fellowship training in Interventional Pain Management at Brigham and Women's Hospital, Harvard Medical School.

Dr. Patel is known for a truly multidisciplinary approach to pain management, utilizing interventional, medical and rehabilitative techniques. He strives to provide his patients with compassionate care to improve their lifestyle and sense of well-being.

Among his achievements, he has served as a member of the following professional organizations:

- American Society of Interventional Pain Physicians
- American Academy of Pain Medicine
- North American Neuromodulation Society
- American Society of Anesthesiologists
- American Society of Anesthesiologists- Political Action Committee
- American Society of Regional Anesthesia
- American Medical Association
- National Society for Healthcare Business Consultants

“I am very excited to join AIS HealthCare™ to continue to raise the bar on their already best-in-class quality and process standards to ultimately deliver infusion solutions for improved health outcomes and a better level of care,” stated Dr. Anish Patel, new Chief Medical Officer of AIS HealthCare™. “I look forward to continuing the Patient Safety. First!™ philosophy they have instilled in their employees.”

About AIS

AIS HealthCare™ provides sterile, patient-specific intrathecal pain pump medications and in-home intravenous infusion including Immune Globulin therapies. These services are supported by our professional nursing division, providing physicians and patients with in-home pump management/refill and a patient-centric Care Coordination Program that assists patients in achieving self-management goals and optimal wellness.

Patient. Care. Trust.
